Dear Mr. Barnett,
Thank you for your recent Email. Going by the dimensions shown on the last plan, the bungalow will be extended at the rear by 2.408 metres.Providing the owner sticks to this measurement, this is acceptable.

Yours,
Mike Sandon.

Dear Mr Sandon

The amended plan showing the correct dimensions of the existing house and the proposed extension are now available to view online or in this office.

If you have any further comments to make please ensure that I receive them by Friday 12 March at the latest.

Thanks

Peter Barnett

Dear Mr. Barnett,
Confirming my conversation with you this afternoon;
Will you please confirm the accuracy of the revised plan submitted regarding the above app. The currently existing length of the North elevation is 11.9 metres, measured by me today. Using my 1:100 scale rule on my copy of the plan gives a slightly different measurement. In view of the previous errors, I would like you to double check for me.
I confirm that providing the proposed building is not extended more than 2.5 metres, I will withdraw my objection.
yours,
Mike Sandon.
