Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	I live next door & I have a conservatory along the back of my property which lets in lots of natural light. I'm concerned that the new kitchen extension will affect the light & also my privacy.As they are losing part of the garage to make kitchen longer.The raised patio area might also affect my privacy as there visitors or themselves might be able to see into my conservatory. Many thanks Rachel Longley

Kind regards
