Based on that information I don't think we would be minded to raise any objections. I'll sort an official set of comments out for you later on.

Subject FW: ADC/205/10 Asda, Lancing: Proposed lifting barrier

Liam,

Please find additional information below in response to yr request for more info.

As background info, the community safety officer at Sussex Police has agreed with ASDA to erect a barrier across the site access owing to the need to stop the current problems of misuse of the car park when the supermarket is closed. It appears that there is some urgency to get it put up.

Regards, Keith

Subject: RE: ADC/205/10 Asda, Lancing: Proposed lifting barrier

Hi Annette,
I think I can answer the points raised without consultation with Newgate.
The barrier is manually operated by one man, it being balanced by means of a counterweight.
It will be locked in the open or closed position by means of a padlock.

The barrier will be operated twice a day, opened when the staff first arrive at 6.30 am and locked when the last staff leave at 23.00, to ensure the car park is secure overnight.
If you require any further information please let contact me.

Regards

Steve

Yr ref D9220/110610 - Planning

Annette,

With reference to yr planning application, I regret that the local highway authority require more information.

As stated on the attached consultation reply, WSCC would not be minded to raise any objections to the principle of

the application, but they need to see details regarding how the barrier will operate and at what times it will do so.

I would be grateful if you would supply this information as soon as possible.

Regards

Keith Morgan
