Hi Rebekah

Really sorry not to have gotten back to you sooner than this.

The turning area and associated parking space layout is acceptable.

Regards,

Adam

Subject: RE: 1 Steyning Road Shoreham

Dear Rex,

We've now received Highway Authority comments based on your revised drawings as follows:

Whilst the proposed turning area demonstrates that vehicles can enter and exit using a forward gear no more than 1 vehicle would be able to use the parking area at any one time. For this reason the designated parking area has to be kept separate from the turning area. Therefore a further modification demonstrating separate parking and turning areas should be submitted to the council for approval. Please re-consult with the amended plans.

Therefore can you address this issue as soon as possible by providing amended plans so that I can re-consult Highways.

Regards,
Rebekah
