Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:
- Highway Access and Parking
- Overdevelopment
- Privacy Light and Noise

Comments: As owner of The Old Rectory i object to the planned enlargement of the Glebe School as i feel that any development would have a detrimental effect to any property that is within the perimeter of the school, with increases in noise and traffic, parking and privacy loss within homes and gardens of that area. I reside in Church Lane and feel that the parking has become a problem over the last two years and this has already been brought to the schools attention as it causes congestion in the area and large vehicles such as fire engines, ambulances and dustcarts have difficulty in passing these parked vehicles.
