Commenter Type: Neighbour

Stance: Customer made comments in support of the Planning Application

Reasons for comment: - Other

Comments: I absolutely support this application. The new gym and cafe are the best things to happen to this area since I moved here 6 years ago. I would use the gym v early mornings before work and work relish the chance to enjoy late summer evening sipping wine till 1am. I am disgusted by the undemocratic way LPC have gone about this application supporting their own interests rather than the residents and much needed visitors to our area.
