Dear Sir
Re. The Longshore, Brighton Rd
Shoreham by Sea.

AN EXTERNAL GARDEN GRILL KITCHEN POD.

I can't see that this will alter or improve the situation. Outdoor cooking smells will still be there, to enter any & all windows at Marine Court & the houses across the twitten, that overlook the Pub garden.

Plus the noise of shouted conversation, & children not kept under control by parents.

We are also still getting small slate pieces from their flower beds thrown over the fence, near to our rubbish & re-cycle bins, & also where cars are parked.

So, I say, a BIG NO. to it.

Yours sincerely.

MISS P. ELFORD.
