Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Privacy Light and Noise
Comments:	We live at 56 Marine Crescent and we object to the above planning application for the following reasons 1. The look and design of the high level dormer extension to the rear of the property and the fact that it overlooks the neighbouring back gardens, including ours. 2. The design of the proposed extension would not be in keeping with other properties in Marine Crescent.

Kind regards
