Reasons for comment:	- Design
Comments:	I have lived in Shoreham for 48 years and have regularly attended Services at the Church of St. Mary de Haura during that time. When I first arrived, the Parish Hall was used regularly. However, there were continuous concerns that elderly and disabled people were unable to attend events owing to the difficulty of getting up a steep flight of stairs. As a result, the Hall has hardly been used in recent years. I would like to express my support for the Scheme which will not only provide an easily

accessible Church Hall, but also assist in meeting the Government's target for new homes.

Kind regards
