Dear Mr Barnett

Re the above proposal for a balcony.
We are the residents of 3 The Mariners and would like to support the proposal for a balcony which our neighbours have put in planning permission for. I would like to say we have no objection to the balcony construction and can not see any problems with privacy of the front garden any more so than the flats which already overlook the bedrooms.
Also the surrounding area has lots of balconies which have been built on the properties after construction.we are also thinking of having a balcony in the near future.
