Dear Mr Pennicott,
It appears from my neighbour Mrs. Pam Kelly(51 Richmond Road) that my response to the application for No. 18 Winchester Road has not been received at your office.
I enclose a copy of my letter dated 01/11/09 posted the following day.
I sincerely hope that this is not too late for your committees consideration.

Re: Applicatiion for No 18 Winchester Road:

Dear Mr. Pennicott,

I'm writing to express my concern about the proposed application for No. 18 Winchester Road which I received last week in the post.
My concern is largely based on what I regard as the excessive number of care homes being built and allowed around us and generally in the immediate area around our home in Shakespeare Road.
Surely this is disproportionate to the number of other dwellings in such a small space.
I know that there are other neighbours also concerned about this and I wanted to add my opposition to this application along with theirs.

Yours faithfully,

Ven. Lionel Whatley

Dear Mrs. Kelly, I was surprised by your letter which i received through the door tonight. I enclose a copy of the letter which i sent to Mr. Pennicott Development Control Manager WBC on the 01/11/09. I have sent him an urgent e-mail and a copy of the letter which i posted to him the day afterwards. I am awaiting his response. Judging for the number of letters that go astray in our road and the recent chaos with our postal services I am not surprise that my letter may have gone astray. I will unfortunately not be able to go to the meeting on Tuesday afternoon so i would be very happy for you to point out my opposition to the project. I enclose a copy of my letter if you need one. Sincerely. Ven. Lionel whatley
