PLANNING SERVICES

Dear Mr Barnett
Re Planning application no
AWDM 0236/19

Regarding the above application I would like to be put on record as being in favour of the application I have lived in Lancing for many years and believe that the application will be good for the surrounding area.

I believe that flooding issues have been looked at and plans put into operation to prevent such issues.

The application will provide more jobs for local people. It will also provide excellent further facilities for Brighton and Hove Albions presence in the Premier League.

Yours sincerely
