TO WHOM IT MAY CONCERN.

We have stayed at the Barn Caravan site in Old Salts farm Road, Lancing a few times over the years. It is a lovely safe place to holiday and relax. As we are getting on in years, we would have to walk considerable distance to get a coffee and a bite to eat.
I feel it would be a great asset to the caravan park if it was to have a refreshment / cafe on site to enjoy.
Please grant the planning application so that campers can relax and socialise without traveling a fair distance.

yours Sincerely
