Dear Marie,
Following our conversation this morning these are the concerns I raised

We have no objection to the building work that is planned for 120/122 Abbey Road

Our concerns are about working hours and timescales ie we would prefer no evening, bank holiday or Sunday working as during previous works there was work done early on Sunday mornings and late evening without prior notification or consideration for us as neighbours

Our other concern is about parking of delivery vehicles and workmen who have previously parked on our driveway without prior permission, notification or consideration for us as neighbours. As my daughter works shifts and I have an elderly mother who lives nearby that I care for we need access on and off our drive at all times

Kind regards
Tina James
