Sir

Re your recent level concerning the extension to 35 Marlinspike, Shoreham-by-sea BN43 5RD

I wish to.make an objection to he above planning application. I consider it would invade on my privacy and impede in the enjoyment of my garden. It would also mean that the owners of 35 Marlinspike, could look directly into my kitchen and small downstairs bedroom.

I would also like to know, why, when you have only just written to me concerning these applications that the building work is already under way ?

I look forward to your response

Mr Gary Colderwood
10 East Meadway
