Dear Sir/Madam,

Proposal: Retrospective planning permission for use of rear ground floor space as 2 no. 1-bed residential flats with associated alterations.
Site: Development Site at 3 and 4 The Parade, Cokeham Road, Sompting.

Thank you for your correspondence, please see our comments below regarding the above application.

No Objections

Southern Water has no objections to this proposal.

Please note, surface water should not be disposed of into a public foul sewer and must comply with the Hierarchy of H3 of the Building Regulations. For more details, refer to the Drainage and Waste Disposal: Approved Document H on the GOV.UK website.

Any new connections to the public sewerage system will require a New Sewer Connection application (also known as a Section 106) to be submitted and approved by Southern Water.

Due to legislative changes effective from 1st October 2011 regarding the ownership of sewers, it is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction work, an investigation of the sewer will be required to ascertain its ownership before any work commences on site. If this happens, please call our Customer Service Desk on 0330 303 0119
