Attention of Mr Gary Peck

We refer to the above application for 2 new proposed dwellings at Lyne House ,Links Road . I am surprised that this application has reached this stage when the important matter of access on to Links Road has not been agreed by Worthing Golf Club ,the owners of this road.
Further to this ,we do not agree to any more development off this very narrow slip road involving large building vehicles from which the residents have suffered from in the past.
J & W Gunn
8 Links Road.
