Dear Mr Barnett,

24th April, 2014

PLANNING APPLICATION NO AWDM/0171/14 – INSTALLATION OF FLOODLIGHTING TO PREVIOUSLY APPROVED NORTHERNMOST COMMUNITY PITCH (AMENDMENT TO PLANNING PERMISSION AWDM/0205/13)

I wish to register the support of Nsure Ltd in respect of the above planning application.

We are aware and that as part of the development of Brighton & Hove Albion's new training ground a full size artificial grass pitch is being provided for use by the community, clearly an excellent local benefit. This will be an important addition to the local facilities and we are conscious that a large number of clubs and organisations have expressed an interest in using it.

Our company is based in Worthing and we have been awarded a contract for arranging the necessary insurance. Accordingly you will appreciate that yet another local business will directly benefit from this project.

However, it is very important that the community facilities have the use of floodlights to fully maximise this opportunity. It goes without saying that without these, use would be limited to daylight hours only. You will appreciate that most Club training sessions take place in the evening, which means that without floodlights it would not be available to them, particularly in winter months, which is the main part of their season.

We urge the Planning Committee to support Brighton & Hove Albion's project without reservation and would be grateful if you will register our full support at the Committee Meeting.

Yours sincerely

[redacted]

Phil Bristow
Director
