Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Privacy Light and Noise
Comments:	First of all I am a direct neighbour and have not been consulted for this proposals. 1) the big illuminated ground floor front sign is well OTT and will contribute to light pollution 2) most objectionable for me however is the proposed first floor neon sign directly lighting my garden, and totally inappropriate given that my house prevent it from being seen from anywhere other than my garden....Given that i know what next door name is I don't need to be reminded..... Thank you for looking into this problem Regards

Kind regards
