Existing Landlord's Drawing - Basement
Scale 1:50 / NTS

*Adjacent demise -
Not Surveyed*

Existing Landlord's Drawing - Ground Floor
Scale 1:50 / NTS

*Drawings converted from supplied PDF - scaled
as close to accurate as possible, but should be
regarded as NTS. Parts of this drawing were not
inspected / surveyed.*

- The contractor must verify all dimensions on site before any works are undertaken, discrepancies are to be reported to the project architect/designer for clarification.
- All works will be carried out in accordance with the SUPERDRIP NFOS document & are to comply with the tenets fit out guidelines following landlords approval.
- HVAC, MSE layouts are indicative & must be verified with the relevant contractor before commencement of work.
- All works to be carried out in accordance with the fire strategy and fire exit application schedule produced by the landlord team issued at tender.
- The existing proposed sprinkler system is to be assessed by contractor to ensure the system is in compliance with building regs part B.
- This drawing represents the property of ASWATSON/SUPERDRIP & may not be reproduced in any way without prior consent.
