YOUR COMMENTS ON THE CASE

this upward extension would over develop the site.
This would not be in keeping with the surrounding properties of the road, as all other blocks of flats are only 3 floors high, Penhill Court is currently 3 fllors high.
Penhill court is surrounded at the back and sides by bungalows, if this planned building went ahead it would invade a lot of peoples privacy. It was also affect the amount of light in the Autumn and Spring for some properties.

Not all residents in Ingleside Crescent and Penleigh Close (behind & to the side of Penhill Court) who would be affected by this build were contacted by the con=uncil.
