Address:	5 Holmbush Close, Shoreham-By-Sea, West Sussex BN43 6TT

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Overdevelopment - Privacy Light and Noise
Comments:	We are not objecting to positioning/placement of this unit but are concerned about volume of noise from the refrigeration unit; I cannot find noise levels mentioned in the planning application. At night when it is quieter we do hear more prominently the working noises, vehicle and trolley movement from Marks & Spencers. We would like more information on the probability of increased noise levels, eg whether there would be a throbbing diesel engine or generator creating a disturbance, for three months every year! If an increase in noise levels is likely then we do object to this planning application.
