Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Design
Comments:	I heard that these houses will have lifts but that they will not be suitable for wheelchairs? I think all new developements of flats and 4 storeyhouses should be 100% wheelchair accessible. there is a shortage of accessible accomodation and it is very hard to find somewhere to live that you dont need to adapt, even if you have plenty of money to buy a luxury house like these, Fred
