Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design
Comments:	What a refreshing change to see a proposed development on the foreshore that is both modern and in keeping with its immediate neighbours. The proposed plans will both enhance the current plot and enhance the outlook for the neighbours. I'd like to echo the concerns of Mrs Snow at 117 Old Fort Road and ask that the council ensure that the building work is carried out during stipulated hours to lessen the impact of living near (another) building site.
