Reasons for comment: - Privacy Light and Noise

Comments: We have lived at our present address for 45 years and enjoyed a great deal of privacy for our family. Our previous neighbours in the bungalow at the foot of our garden were known to us for over 40 years. This new planning application (AWDM/0983/12) is a very large dormer facing west and would completely dominate our garden and its enjoyment. The planned dormer is just too big with several windows facing us and several neighbours.
