WEST SUSSEX COUNTY COUNCIL CONSULTATION

TO:	Adur & Worthing Councils FAO: Amanda Haslett
FROM:	WSCC – Highways Authority
DATE:	15 October 2024
LOCATION:	1 Silver Birch Drive, Worthing, BN13 3PP
SUBJECT:	AWDM/1264/24 Extension to North side of existing garage building and conversion of garage into habitable space ancillary to the main dwelling, including new first-floor with rooflights to front (West) and rear (East) roof slopes.
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	Advice

This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

This proposal is for the extension to North side of existing garage building and conversion of garage into habitable space ancillary to the main dwelling. The site is located on Silver Birch Drive, an unclassified road subject to a speed restriction of 30 mph.

No alterations are proposed to the existing access arrangement. The proposed development is not anticipated to give rise to a material intensification of use of the existing access point.

A double-bay garage will be lost as part of the proposals. However, it should be noted that the existing garage does not meet the minimum internal specifications for double-bay garages of 6m x 6m as outlined in Manual for Streets (MfS). Therefore, the LHA would not consider the existing garage for parking provision, as it is likely too small to accommodate modern sized cars. It is not unreasonable for the LHA to assume the existing garage may be being used for other purposes, such as storage.

As such, no concerns are raised regarding loss of existing parking provision. An existing driveway is to be retained with provision for at least 1 car.

The LHA does not consider that this proposal would have an unacceptable impact on highway safety or result in 'severe' cumulative impacts on the operation of the highway network, therefore is not contrary to the National Planning Policy Framework (paragraph 115), and that there are no transport grounds to resist the proposal.
