Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design
Comments:	On examining the amended plans, it is difficult to ascertain exactly what is proposed for the disposal of rain water as the drawing shows the down pipe just finishing at ground level and not into a purpose built drain. Due to the change of design of the roof of the proposal the existing rainfall will be directed in a different manner than previously and as the extension and guttering are almost on my boundary, the situation has the potential to cause significant damp issues to my property.
