Comments:	I have serious concerns around safety in reference to this application. I have witnessed a number of near misses where vehicles have almost hit children on Eastern Ave, particularly the turning from Old Shoreham Rd. It is only a matter of time before there is a serious incident. Drivers do not adhere to the 30mph speed limit let alone the recommended 20mph during school drop off and pick up, and there are no safe places to cross. Additional classes and children will only exacerbate this issue.

It is also very noisy from the school. The school alarm goes off periodically in the middle of the night and is completely ineffectual as nobody comes.

Kind regards
