577316 – Sussex Police Worthing

Area G1 - approx. 3 x Popular trees, of approx. 30+m, where specific branches are overhanging into the residents gardens. These limbs as identified in the attached pictures are to be removed back to the main trunk to reduce the occurrence of branches/twigs falling into the gardens and striking the neighbouring house. Self-sown suckers to be removed also and conifer trimmed back to behind fence line. Access channels to be cut as necessary into undergrowth. Any deadwood over 50mm to be removed from crowns.
Fenceline of approx. 50m to have all self-sown poplars removed to ground level to facilitate the reduction of leaves accumulating in the gardens and parking area. Area of parking bay to be trimmed back to fence line for a height of 3m.
