Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Privacy Light and Noise
Comments:	These illuminated signs are entirely inappropriate for this conservation area and will be an eyesore. There is also the general problem of light pollution in our towns. In any case they are unlikely to bring in any extra customers as people looking for a dentist will use the internet or recommendations from family and friends. And they will set an unwanted precedent. I strongly object to this proposal.
