Green Timber Tree Surgery Ltd
15 Jevington Drive, Brighton, East Sussex

Sketch plan

31 August 2025

Caroline Mclean
10 St. Julians Lane
Shoreham-By-Sea
BN43 6YS

[redacted]

Location	Plant	Description of work
Rear garden:	T1 - Lime	Crown reduce and shape by approx. 30% overall: Lower canopy: East aspect – up to 4m crown lift South aspect – 2.5m lateral reduction West aspect - up to 3.5m crown lift Upper canopy: All aspects – approx. 2.5 tip reduction to shape and balance crown. Crown thin all epicormic and lower trunk growth

Reason for work: To reduce excessive shade and damp issues and mitigate risk of damage to nearby roof tiles and property structure.
