Comments Details

Commenter Type: Member of the Public

Stance: Customer made comments neither objecting to or supporting the Planning Application

Reasons for comment: - Design

Comments: The drawings provided do not show an elevation of the street. The site drops down from the road, if the proposal is built at the existing level it will not appear to be 3 stories. If the site is raised to street level the proposal will dominate the adjacent bungalows and be out of keeping with the street scene.
