Dear Sir,

Erection of 2no three storey detached houses with associated parking and turning to replace existing bungalow.
29 Kings Walk Shoreham by Sea BN43 5LG

I have received your letter of 9th November 2015 and would like to object for the following reasons:-

The design, appearance and character of the proposed houses does not fit in with existing properties in the surrounding area.

The height and width of the three storey houses would create a dominance that would impact on adjoining properties in Kings Walk and Havenside. This will lead to loss of light, sunlight and also privacy as the houses would overlook my property and my neighbours

Yours faithfully
