Peter

All looks good to me we have a App they can use for collection dates etc

It is worth noting food waste is coming so provision for small bins for that should be added to the bin areas, we are thinking
no more than 2 x 140 bins in each weekly collection. Also we can supply bins for Small electronics collections so maybe some space
for them also

Hi Mark

Please could I have the waste services comments on this 57 flats scheme?

Details can be found at the link below:
