Dear Sir or Madam,

Re your Letter.
to us regarding the Extension to No 7 Blacksmiths
We totally oppose this application as the Cars, people, and Noise from this House is bad enough.
Sometimes there has been 30-40 people staying there at one Time??
The children are in the street at Ten-Eleven o'clock at night.
All you hear late at night is car doors slamming. Noise especially in the Summer.
If this extension is granted it will cause Havoc around here.
There are always different Large Cars; plus extra Taxies at No 7

lots of times. Very difficult
for the locals to park. [redacted]

Yours faithfully.
