Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	As a long standing member of the congregation of St Mary de Haura I have fond memories of the Church hall. My parents met at a social club at the hall and my grandparents had their Wedding reception there. I myself attended Sunday School in the hall as well as numerous Church events, parties and as a Youth Club leader. My Grandfather was a caretaker of the hall and used to keep it in good repair and decoration. The hall and Parish centre are now in a sorry state of repair. Access to the hall is impossible for anyone with disabilities. I therefore strongly support this development.
