Subject: Next Construction Site

Hello

I had a call yesterday at about 5pm from Mr Trevor Wickson of 20 Kingston Way, Shoreham, BN43 6YA.
He said he got a letter from your dept about new delivery times
He said he wants to raise an objection about the new delivery times for the Next Construction site, apparently he received a letter about it.
He doesn't want loading near the residential area late at night.

Please can someone contact him on [redacted]

Thank you

Nikita
