WORTHING BOROUGH COUNCIL, under the above Act and Order, gives you notice that its decision upon your application described above and in Drawing No. DC/TPO/1001/066 plans which accompanied the application, or as subsequently amended prior to consideration, is to

REFUSE CONSENT for the reason(s) that:-

1. The proposed pollarding to 4.5 metres of this group of six protected Sycamore trees (part of Group G1 of the Worthing Tree Preservation Order No. 66 of 2001) would disfigure and damage the natural crown form, branch structure, condition and appearance of the trees, which in view of their stature and their prominence, would be detrimental to the character and visual amenities of the area.
