Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Design
Comments:	We are concerned as to the close proximity of the proposed new Dormer to the existing chimney. How would any future maintenance be carried out to either the chimney, the proposers dormer or the existing dormer at No 69. Currently there is an larger gap between the existing dormer at no 69 and the proposed dormer at 67.
