Dear Marie,

RE: **AWDM/1203/26 – Room 1 12 Brunswick Road Shoreham-by-sea West Sussex.**

Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying for the conversion of the first floor into a self-contained 1 bed residential flat. Replacement of timber windows with UPVC double glazed windows; blocking up of first floor rear doorway; new ground floor door to NE side; external walls to be painted white, internal alterations and associated works. The application is to Adur District Council.

Following a review of the submitted information, we have no objection on surface water grounds. Due to the site, size, location, and type of development **we would recommend the approval of the application**.

Yours sincerely,

Sustainable Water Management Officer
