Dear Sir/Madam

RE: Planning Application:
18, Winterton Way Shoreham-by-Sea, West Sussex BN43 5RE

I write with reference to the proposed remodelling of the above mentioned property and I should like to say how much I approve of this proposal for the following reasons:

1/ The demolition of the ground floor extensions will much improve the overall appearance. In addition, I understand that the area covered by the south side extension will be planted out. A good environmental consideration.

2/ The overall design and appearance will be much more attractive and in keeping with the local area.

Yours faithfully
