Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Other
Comments:	I would like to support the installation of a condensing unit for an indoor heat pump. As a patient at Your Choice Medical I know that the addition of a heat pump will make the surgery environment that much more comfortable for patients receiving treatment. Additionally, a heat pump is a more environmentally friendly and efficient mechanism for heating the surgery.

Kind regards
