Re: 20 Slonkhill Rd
Shoreham By Sea

Dear Sir / Madam,

We write in connection to the planning request for the work involved to the front garden at 20 Slonkhill Road.

We live directly opposite number 20 and wish to confirm that in no ~~away~~ way does the changes carried out detract from the overall appearance or outlook from our property.

The new vegetable area blends well into the other front gardens and in our opinion is an excellent way to utilise that area.

Yours sincerely

Geoff + Marie Cornford
