Re Front garden 20 Slonk Hill Road

Dear Sir/Madam,

I live in the property directly opposite number 20 Slonk Hill Road, with a view of the front garden. I have been asked by the owner if I would be willing to provide a letter of support to the work done in the front garden. I am more than happy to do this. I am happy that the garden does not interfere with my property and that I do not feel overlooked by it. I think the design and materials used are in keeping with the area and it has improved the look of the property, especially compared to the many similar gardens that have been done in the area. It is nice to see the garden being used and maintained so well

Yours faithfully
