Comments:
Its a shame this pub has now closed and been empty for some months unfortuantely this is a sign of the times and i was forced to leave the pub i was running in Hove (The Eclipse Montgomery Street) due to decline in business. It is nice that someone is interested in obtaning this building and making use of it instead of letting it go to rack and ruin, as the building opposite which was once a pub and now a thriving business office, also the building at the bottom of Bounday Road was a pub and now this has become a thriving business.
