Address:	32 Norbury Drive, Lancing, West Sussex BN15 0QQ

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	I object to this planning because nothing has changed my mind about the use of this building.i can not see that it will be used for anything other than recreational use that will increase the parking outside.i can not understand why you need double glazed doors just for storage.what is the point of having a planning dept. if you let someone build something they did not have permission for.all ready the people that are moving in have been there working and not once have they even parked in the drive they have parked in the road.that to me is evidence that the garage will not be used to park a car.
