PLANNING SERVICES

Your Ref: AWDM/1161/14

2nd September 2014

Dear Mr. Peck,

Thank you for your letter dated 22nd August in which you informed us of the above planning application.

We are replying to strongly object to the application with regard to the proposed first floor balcony on the rear extension.
Having looked at the plans, the balcony as such extends towards our property boundary by approx 5 metres and would have a detrimental effect of our enjoyment of the garden and the loss of privacy from being further overlooked.

Please can you acknowledge you have received this letter and have logged it as our official objection and keep us informed of the outcome.

Yours Sincerely

[redacted]

Mr. S. Parley
