To whom it may Concern

Ref - AWDM/0724/16

(FIRST FLOOR REAR EXTENSION)

I am writing to comment that unfortunatley I am opposing the planning permission for the first floor Extention

loss of privacy and <u>light</u> and the <u>size</u> of the Extension proposed.

light being my main concern as it will block all my Light to the back of my house and the SIZE IS FAR to Big.

Thank-you for your Attention
