Dear Sir/Madam,

Two-storey side extension, single-storey rear extension and front porch

2 New Cottages Coombes Road Coombes Lancing

I refer to the previous publicity relating to the above planning application and would advise you that amended plans/description have been received for this proposal. The details of the proposed amendments are: the reduction in size of the proposed side extension; the re-siting of the proposed porch further to the north; and the addition of an additional single-storey rear extension (with mono-pitched roof extending across the original rear extension). I have enclosed copies of the plans highlighting the changes for you to see.

If you have any comments to make in respect of the amended plans/description which have not already been made in writing to my office, I would be grateful to receive them in writing within 14 days of the date of this letter. However if you feel the amended scheme is acceptable and you have no objection I would be grateful if you could let me know either by letter or by email to the above addresses as soon as possible or by the 16th November.

Please note that all correspondence received regarding planning applications will be held on the planning files, will be available for public inspection and posted on the Council's web site.

Yours faithfully

Carlos Hone
