Dear Sirs

Ref Planning application Number ADC/0372/09 7 Peter Road

I refer to the above planning permission & your condition number 02. We wish to confirm that we will ensure that the parking spaces currently with the building will be kept available for the use of the occupants of the above building at all times. There is currently no provision for any external covered cycle parking without converting one of the car parking spaces. I understand that you are unwilling for this to happen so we will make certain that there is secure space for cycles within the building. We also wish to remind you that we also occupy units 2-6 Peter Road & have the parking facilities there, available to any occupants of unit 7 Peter Road.

Yours Faithfully
